

### Equal Employment Opportunity Policy Statement

Midé Technology Corporation is committed to providing equal employment opportunity to all applicants and employees regardless of their race, creed, color, religion, gender, age, national origin, disability, military service, protected veteran status, genetic information, sexual orientation, gender identity or any other characteristic protected by federal, state or local law. We are strongly committed to this policy and believe in the concept and spirit of the law.

Midé Technology Corporation is further committed to ensuring that employment decisions are based on valid job requirements. In addition, all employment actions, such as recruiting, hiring, training, promotion, compensation, benefits, transfers, layoffs and termination are administered fairly to all persons on an equal opportunity basis, without discrimination on the basis of protected categories named above.

Midé Technology Corporation will not tolerate employees and applicants to be subjected to harassment, intimidation, threats, coercion or retaliation because they engaged or may engage in filing a complaint or assisted in a review, investigation or hearing related to any federal, state or local law requiring equal employment opportunity; or because they opposed any act deemed unlawful. Midé Technology Corporation will provide qualified applicants and employees with disabilities any needed reasonable accommodations, as required by law.

Marthinus van Schoor, Chief Executive Officer supports this affirmative action program and has appointed Brian Durant, Vice President of Operations as Midé Technology Corporation EEO Coordinator. The EEO Coordinator's responsibilities include implementing an internal audit and reporting system to monitor and measure the effectiveness of Midé Technology Corporation's equal employment opportunity efforts and report to executive management on this and any needs for remedial action.

Midé Technology Corporation maintains affirmative action plans for minorities, women, individuals with disabilities and protected veterans. Any questions regarding these plans or the company's equal opportunity policy should be directed to the EEO Coordinator who is responsible for the implementation of the plan. All employees are responsible for supporting the concept of equal employment opportunity and affirmative action and assisting and cooperating in meeting our plan goals.

If you wish to view the plans for protected veterans and individuals with disabilities, contact Brian Durant, during normal business hours and arrangements will be made for the areas of the plan available for inspection under the law.
